

March 15, 1979

LR 27  
LB 376, 379

Stoney.

SENATOR STONEY: Mr. Speaker, members of the Legislature, this bill was introduced by the Judiciary Committee at the request of the State Supreme Court. The intent of 379 is to allow the Supreme Court to appoint a separate state librarian. Under the present Constitution the Clerk of the Supreme Court acts as the librarian of the law, and miscellaneous library of the state. The Clerk has been the librarian in name only for the past few years, with a trained professional handling the individual duties. This bill as now amended by Senator Reutzel's Constitutional Revision and Recreation Committee would allow the Supreme Court to hire whatever officers and employees are needed. That's the simple explanation of the intent of this bill and I would move that it be advanced to E & R Initial.

SPEAKER MARVEL: Since we have five lights on this bill, we're going to have to...I'll keep the order, Fowler, Schmit, Warner, Cullan and Haberman, and we will start with that order tomorrow. I have one announcement...also Senator Hefner, and Senator Chambers. If you're interested in going to the basketball games, you're supposed to be able to get in by showing your membership card. Mr. Clerk, do you have any other business before we adjourn?

CLERK: Yes, sir, Mr. President.

SPEAKER MARVEL: Senator Keyes, do you want on the list for tomorrow?

SENATOR KEYES: No, all I want to say is that that hasn't been the policy at the girls' games, and I don't know why we should separate the girls from the boys on free tickets.

SPEAKER MARVEL: No...it was the policy.

SENATOR KEYES: Then they didn't know about it, because I paid for games that I went to, and I went to them all.

SPEAKER MARVEL: Mr. Clerk, do you have anything to read in?

CLERK: Mr. President, your Committee on Public Health and Welfare whose Chairman is Senator Cullan to whom we referred LB 376 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File with amendments.

Mr. President, new Resolution, LR 27, introduced by Senator Maresh and Senator Wesely. (Read LR 27. See Page 938 of the Legislative Journal.) That will properly be laid over, Mr.
